

**February 6, 2012**

### **FROM THE PRINCIPAL'S DESK**

Catholic Schools Week was a lot of fun! We had quite a few families visit during our "Open House" days. As usual, they were very impressed with our students, staff and facility! We appreciate the support of Parent Group for allowing us to bring DOME Theater back again this year. Thanks also to those who put up our signs and who sent people to visit. Please return the open house signs to school this week and we'll pack them away until next year.

### **PARENT GROUP NEWS**

Our next meeting will be **February 7<sup>th</sup> at 6:30 P.M in the Art Rm.**

### **JUMP ROPE FOR HEART!**

It takes heart to be a hero! The weeks of February 13<sup>th</sup> -17<sup>th</sup> and 20<sup>th</sup>-24<sup>th</sup> our school will be participating in a very special service program: the American Heart Association's Jump Rope For Heart. By participating in Jump Rope For Heart, your child will join millions of other children across the country in a meaningful opportunity to learn and help others. They will learn how their hearts work and how to take care of them through physical activity and nutrition, and they will learn about children who have been affected by cardiovascular disease and how they can help them. In short, your child will have fun and feel good by helping others. The class raising the highest dollar amount will earn an out of uniform day and LaRosa's pizza lunch. Here's how to participate:

- Sign and return the collection envelope by **February 24<sup>th</sup>**. Be sure the envelope has your child's name and information filled out! If your child is jumping in honor of a friend or family member, please fill out the heart included in their envelope. These hearts will be displayed all week in the gym area.
- Checks need to be made payable to **American Heart Association** – check where you work to see if they are a "Matching Gift" company.

- PLEASE convert all cash into a check or money order. You can help by asking friends and family to give in support of your child's efforts. Our Web site makes it easy. Your child can set up a Web page and you can e-mail friends/family to make secure donations. Visit [americanheart.org/jump](http://americanheart.org/jump) to get started. Just print out and return your on-line collection form in your envelope.
- Students will receive "Thank you gifts" from the American Heart Association based on the amount of money they collect, but it is voluntary to participate in the collection. Everyone will participate in the jump rope activities!

Our school receives physical education equipment and educational materials just for participating in the project, but our school also qualifies for additional equipment based on the total amount the students collect – so while we are doing a great community service activity, our school also benefits! To learn more about the American Heart Association, Jump Rope For Heart, how children are affected by heart disease, and how to keep your own family healthy, visit [americanheart.org/jump](http://americanheart.org/jump). Thank you for your support! Sincerely, Mrs. Nieman
