Queen of Peace Aftercare Program

Cost is \$10 per day for each child. This is a flat rate and does not vary based on when you decide to pick up your child within the program operating hours (2:30-5:30).

You will have a monthly charge added to your FACTS account.

There are opportunities during Aftercare for students to work independently on school work and to receive help from Aftercare staff members.

The program is housed in the Art Room. Students will be escorted to this location after school and will be supervised by at least two adults with SafeParish-certification. If two certified adults are not on duty, the single staff member on duty will be within acceptable proximity to another school staff member who is SafeParish-certified.

Aftercare services may be used on an emergency basis. However, the rate for Emergency Use is double the standard rate. Depending on the nature of the emergency, this provision can always be waived, but will nevertheless be the default policy. "Emergency Use" is defined as using Aftercare services without having registered in advance via the provided signup link.

Every Sunday in the Viking Voice, you will find a signup link that allows you to select your Aftercare days for the coming week.

The paid adult staff members will have a variety of activity options for the students. Not every day will necessarily look the same, but there will be a solid routine. Plentiful play and recreation opportunities will be available for students of all ages.

The Aftercare Program does not officially provide a snack. It is advised to pack something for your student to eat after school.

If you have additional questions about the Aftercare Program, please contact Mr. Mears. Thank you!
